

Build a
Bigger Table
Friendship Day!

Where Every Child Has a Place, and
Every Seat Has A Story.

When you have
more than you need,

build a longer

table, not a

higher fence.

When you have
more than you need,

build a longer

table, not a

higher fence.

When you have
more than you need,
build a longer table,
not a higher fence.

When you have
more than you need,
build a longer table,
not a higher fence.
