

It's the 10th Day of Christmas...

**The chocolate is dark, like that holy night
where the Wise Men followed a heavenly light.
The peanuts are crunchy, like that rocky road
they follow along over miles untold.**

**The flavor is sweet as that first Christmas morn
when the wise men discovered that Jesus was born.**

**This candy bar is wrapped up nice and tight
just like the gifts the wise Men brought Jesus that night.
Accept this Christmas candy bar as a gift just for you
but always remember the real gift is Jesus...it's true.**

**The second brought Frankincense
to honor this new King
For they thought that nothing
was better for them to bring.**

Scripture

Now when they had departed, behold, an angel of the Lord appeared to Joseph in a dream, saying, "Arise, take the young Child and His mother, flee to Egypt, and stay there until I bring you word; for Herod will seek the young Child to destroy Him."

When he arose, he took the young Child and His mother by night and departed for Egypt, and was there until the death of Herod, that it might be fulfilled which was spoken by the Lord through the prophet, saying, "Out of Egypt I called My Son."

Matthew 2:13-15

Candy Cane Card Game

1 Deck of Cards

1 Candy Cane for each member of the family.

Each person lays their candy cane down near the center of the playing area

Now, remove one candy cane (similar to musical chairs) and arrange the remaining candy canes in a circle where everyone has an equal chance of getting one.

Deal 4 cards to each person...lay the remaining cards face down in the center of the playing area.

Players WILL look at their cards.

Player #1 (player to the left of the dealer) will draw one card from the deck and then discarding one of his 5 cards face up into a discard pile.

The second person can either draw from the deck or they can take the top card from the discard pile. They then discard one card in the discard pile...keeping 4 cards in his/her hand.

The third person has the same option as the second person...etc

The first person to get 4 matching cards will grab a candy cane.

Everyone else grabs for a candy cane as well.

The last person to get a candy cane loses that round.

Start another round.

When the game is over...everyone receives a candy cane to enjoy. Even though they may be broken 😊
