

SWISS
ROCKS

The image features a vibrant green background with a pattern of black, wavy, organic lines. Overlaid on this is a large, irregular, light-green shape. The words "SWISS" and "ROCKS" are written in a bold, white, rounded, bubbly font with thick black outlines. The text is arranged in two lines, with "SWISS" on top and "ROCKS" below it. There are several splatters of a darker green color on the white letters, particularly on the 'S' and 'R' characters. The overall style is playful and graphic.
