Dear Parent,

Today is an important day. Your child will never again be exactly the age he is today.

He will never again be exactly the same person he is today.

You play a vital role right now in helping him become what he will be tomorrow.

You can show your child that Bible truths apply to his everyday life by:

** Helping your child have positive feelings about himself, others, and God.*

** Bringing him to church.*

** Preparing for Sunday on Saturday to ensure calmness.*

** Leaving home on time so that child does not miss any of their lesson time and so that they do not interrupt story time.*

** Reading and talking about the stories we learn each week. (Copy goes home in child's bag)*

** Giving your child the best gift-a Christian home.*

I am ready and happy to welcome your child at Sunday school. The joy he feels at church today will help him to understand and love God tomorrow.

YOU ARE ENTERING THE WORLD OF A CHILD

If the furniture is uncomfortable and too small for you, remember it fits us just fine.

If you must walk around our games, toys and creations, remember it is through manipulatives and this kind of experimentation that we learn best.

If we are noisy as we work and play, it is because we are learning to live with each other.

If we come up to you, don't be surprised. We are open, friendly, and curious, and we want to know you as our friends.

Enjoy our world, and when you leave, we hope you carry with you some of our enthusiasm
FOR LEARNING!

Here's a gift from us to you...I'm sure you'll know just what to do.
When you miss us, or your feeling bored...Pop on some tunes and praise the Lord.

We all knew this day would come...Saying goodbye is never fun.
So, as you walk out our door...We leave you with a few things more.

A kiss and a hug and a prayer or two...
Because just like God...WE LOVE YOU TOO!

GREAT WEEK!

The Wheels On The Bus Go Round And Round...ALL Through The Town!

HONOR THE BUS DRIVERS IN YOUR AREA BY HOSTING A DRIVE-THRU DONUT AND COFFEE EVENT.

- Set up a drive-thru tent in their parking lot, a donut station inside their break room, or a grab and go bag.
- Hint...creating donut bags makes the perfect mission project for your children...have them write a special message of encouragement on each bag.
- Contact the bus lot director to see how you can best serve their drivers.
- Remember to ask if there are needs throughout the year that you could turn into a mission project for your children. A nice pair of driving gloves would be quite a blessing at Christmas time. :)
